

2nd Israel Open Solving Championship

The Israel Chess Composition Society is glad to announce the 2nd Israel Open Solving Championship.

The event will be held in a similar format to the ISC, with a single difference: B category will consist of 6 problems in each round instead of 4. However, the problems in this category will be significantly lighter and simpler, thus inexperienced solvers can win points.

Date: Sunday June 21 2015, 11:00 CET.

Main controller will be **Paz Einat**. All countries who wish to participate should contact the main controller by e-mail: pazeinat@gmail.com. Final date for registration: June 11 2015. The local controllers will receive all necessary word-format documents by e-mail no later than June 15 2015.

Results will be available on www.variantim.org. Top places are guaranteed medals which will be given in the upcoming congress in Ostroda.

Thank you!
